

# Court Mandated Useful Public Service Program

Thank you for your interest in completing your required service at Noah's Ark Animal Welfare Association. Noah's Ark Animal Welfare Association is a non-profit 501(c)3 organization. Our mission is to work collaboratively increasing the life-saving capacity of dogs & cats within our region, while maintaining a safe and comfortable home for every dog and cat in Las Animas County. Our organization is funded by donations, grants, and self-sustaining ways.

Please note that you must be at least 16 years of age to work in our program, without parent/guardian supervision. If you are younger than 16, you must be accompanied by a parent or legal guardian at all times while performing service work at our shelter. You must have parental/guardian consent if you are under age 18. Our on-campus program cannot accept theft/burglary charges, controlled substance related charges, domestic violence related charges, child abuse/neglect related charges, animal abuse/neglect related charges, or any felony charges (previous or current). If you need off-campus hours please ask us about making pet toys from home, or ask your probation officer if you are able to purchase/donate supplies for the shelter.

Initially, the work you will be performing is mostly janitorial, grounds keeping, organizing, sorting, laundry, cleaning kennels, washing dishes, or related to recycling. Sometimes we have light duty clerical work available. Any and all work you perform is considered service to the pets at our shelter. You will not be handling pets without approved permission. Due to the level of training needed, you will not be working directly with the pets in our care unless you have over 50 hours to complete. If you are required to complete less than 50 hours and would like to work with the pets, we encourage you to sign up as a regular volunteer after you have completed this program.

To get started with us, you will need to study the attached useful public service quick checklist on the reverse side, complete all fields of the attached application and provide a copy of a current photo ID. If you are approved for our program, you will need to provide a copy of your timesheet, meet with the volunteer coordinator for safety orientation and to set up your work schedule. Once orientation is complete and you are set up with a schedule, please stick with your scheduled work hours. Please give advance notice if you cannot make a scheduled day, otherwise you may be disqualified from continuing service with our organization.

Please understand it is your responsibility to contact the volunteer coordinator in person, or by phone at 719-680-2385 to set up your orientation. Submitting your application and community service timesheet does not warrant obligation on behalf of NAAWA to contact you.

To summarize, your steps to complete are:

- 1. Read and study the Useful Public Service Quick Checklist (on reverse).
- 2. Complete and return the Useful Public Service Application along with a copy of current photoID.
- 3. If approved for our program, provide a copy of your official community service timesheet to the volunteercoordinator, attend safety orientation, and set up your work schedule.
